ARTWORK SUBMISSION GUIDELINES

DIGITAL MEDIA

Delivery:

1) Email all files and a brief project description to: **graphics@americana.com**
2) If files are too large to attach via email, please let your project manager know and we will provide a drop-box link where the files can be sent.

FILE TYPES

Preferred File Type: **.AI .EPS .PDF .SVG**

File types other than the preferred may also be submitted. However, working with non vector type files such as .JPG or .TIFF can become very time consuming. Please take this into consideration when submitting.

If submitting .jpg .gif .png or .tif files please send the highest resolution possible. **Resolutions of 300 DPI are required.**

FONTS

If your artwork contains a one of a kind font please provide us with the name of the font, the font file, or convert all font text to outlines.
