SITE FURNISHINGS

INSTALLATION INSTRUCTIONS:

1. To install planks to the frame, center the plank across the frames then center the plank over the slots in the 4 inch formed strap. Screw the 1/4 inch lag screw into the plank through the frame.
2. Insert the 3/8" spacers provided, between the planks, to insure even spacing.
3. Install the self tapping screws through the frame into the planks (Some adjustment may be required).
4. Repeat steps (2 & 3) for backrest planks.
