

VOLLEYBALL NETS

MODEL #8361-10 PREMIUM VOLLEYBALL NET, 30' x 3' (6LBS)
 MODEL #8361-20 PREMIUM VOLLEYBALL NET, 32' x 3' (7 LBS)

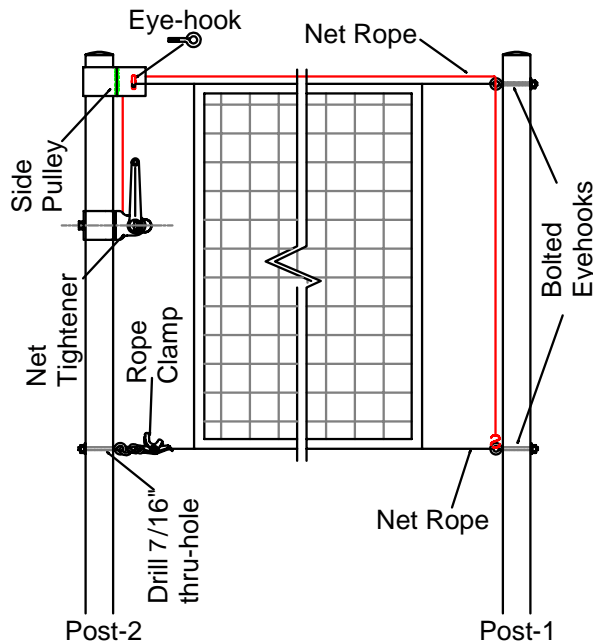

INSTALLATION INSTRUCTIONS:

If volleyball posts are equipped with eyes (fixed or adjustable), side pulley and net tightener. Secure one end of the net to the eye by means of a knot or cable clamp (not supplied), and pass the other end through the side pulley and secure to the net tightener. Pass the lower rope through the rope clamp. Adjust net so that it is centered to the court with net tie-offs. Adjust net tension by means of the net tightener and rope clamp.

SPECIFICATIONS:

Models #8361-10 (30' X 3') & 8361-20 (32' X 3'): Available in two lengths. These models are equipped with a 1/8" diameter top cable and a 3/16" diameter nylon bottom rope. Netting is Black No. 24 thread nylon, 4" square mesh. Top, bottom, & side tapes are white, vinyl coated nylon.

Warranty Period: 1 Year
