

DESIGNER PLATE COVERS

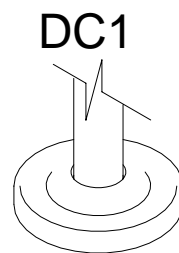

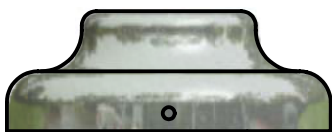

Optional Designer Plate Covers are available for (M1) in-ground and (M3) surface mount products. They may be ordered for post sizes 2-3/8" O.D. thru 6-5/8" O.D.

The DC1 is fabricated as a one piece steel unit and come standard as galvanized.

The DC2 is fabricated as a two piece cast iron set.

Both the DC1 and the DC2 are ordered either in pairs or individually, depending on the model used.

Optional powder coating is also available.

1 piece

2 piece
